A tidy dress

17 Aug 2019

That's right ya'll, I made myself a R hex logo dress!

I've been thinking about this dress for at least a year, if not longer. But I finally had a summer where I wasn't moving, and I decided to make it happen.

The first step was looking for a good nested hex image. I searched the internet, and came across [a way to use magick to nest hexes](#). I love R and reproducible work, so I played around with this code for a while to see if it would do what I
